Australia's Largest UTV Rental Fleet

MISSION STATEMENT

To become the most respected and successful supplier of ATV, Utility vehicles in Australia.

Established 1999

Vision Statement

These principles will translate into value for money when our vehicles are on hire. Through professional solutions to your needs, which are underpinned by impeccable after sales service, which will promote hassle free hire for the duration of the contract.

Establish 1800Buggies as Australia's premier supplier of Niche utility vehicles, and All Terrain Vehicles whilst maintaining uncompromising business principals as we grow.

Applying the highest standard of integrity to the client and after sales service for our fleet of All terrain utility vehicles

Provide a safe and healthy work environment whilst we maintain our vehicles

Provide resources, and training to your staff on the operation of our vehicles and pass this information onto the end user.

Contribute positively to the local community and act responsibly towards our environment

Embrace diversity and new technology throughout the term of the contract as an essential way of doing business if your needs and requirements vary.

Business Introduction

1800BUGGIES established in 1999 is Australia's largest rental fleet of niche ATV utility vehicles, Electric vehicles and amphibious vehicle. We are a well renowned established business throughout Australia.

We realised a demand in the rental market place for quality utility vehicles. We are an active member on the HRIA (Hire and Rental Industry Australia)

1800BUGGIES currently has branches all over Australia (Victoria, Tasmania, New South Wales, South Australia Queensland and Western Australia) with over 200 utility vehicles in our fleet.

Our extensive hire fleet, Kubota, Landboss, Kawasaki, & Polaris Utility vehicles suits various industries including, Solar Farms, Surf Life Saving, Mining, Building & Construction, Festivals, Events, Motorsports, Exploration, Seismic activity, underground and tunnel projects and Land Surveying, etc.

Niche Argo and Tinger amphibious, tracked, ATV all terrain vehicles became part of the 1800BUGGIES rental Fleet in 2018 when there was a niche to provide a dry hire solution for an All Terrain Vehicles. There is no other vehicle like the ARGO in the rental industry available for dry hire.

Our experience of the past 20+ years has cemented **1800BUGGIES** as a preferred supplier of ATV Utility Vehicles, electric vehicles and All terrain tracked and amphibious vehicles for all major projects, festivals, events and world wide corporations.

Our clients include the likes of BHP, Rio Tinto, CYP, Sydney Metro, WATPAC, Fulton Hogan, Downer, UGL, Origin, Nokia, Santos, Thiess, Zinfra.

We are very experienced in all areas of "on-site transport" which allows us to adapt to our clients varying needs and remote locations. To the extent of custom building and modifying our vehicles for specific applications.

We have our own technicians, workshop and transport facilities, which can cater for all of your requirements.

Conclusion

Our vision is to expand our operations throughout Australia with key cliental and build on our reputable portfolio.

Our Rental Proposal would help us achieve that goal, whilst giving our clients piece of mind that they can rely upon a quality product, for the hire period, backed by a hire company that are specialist in this field.

We have 2 decades of experience in the hire industry and we would greatly appreciate the opportunity to work with you.

Yours Sincerely
